

Pricer SmartTAG™ HD200

13411-00 (Standard) / 13411-01 (FV)

Better readability than ever before

Extremely clear high-contrast in black & white at a size that really makes an impact. Whether it is an extra large price, promotion, QR code or barcode, there is room to fit it all directly on-screen, with no paper required.

Features

- Crisp 7" High Definition graphic display for easy readability
- Super clarity and contrast for easy readability up close and far away
- Extra-wide 170° viewing angle and low reflection in all indoor lighting conditions
- Plenty of space to include additional, dynamic product and promotion information.

Pricer SmartTAG™ HD200 FV (color zone display):

The three colour areas can be turned on and off (black) without affecting the rest of the display, and customized with modifiable text or images.

Pricer SmartTAG™ label range (graphic displays)
